Course Description
This Skill Set reflects the skill requirements for providing person centred support to older people in home and community settings. This Skill Set includes the completion of the following Units of Competency: -
- CHCAGE001 Facilitate the empowerment of older people
- CHCHCS001 Provide home and community support services
- CHCCCS011 Meet personal support needs
- CHCCCS025 Support relationships with carers and families

Target Group
This skill set is for people working in various care and support roles in the community services sector who wish to develop skills in home and community support. This skill set has been endorsed by industry as suitable for individuals who:
- Hold a qualification at Certificate III level or higher in Community Services, Health or related field
- Have skills equivalent to the qualification requirement validated through a recognition of prior learning process
- Require upskilling and ongoing professional development to provide support to people in home and community care settings

Delivery Method and Duration
The course is provided through face-to-face delivery, online or a flexible blended learning option. The course will be delivered and assessed in 2 months.

Recognition of Prior Learning (RPL)
Many of our students already have a high level of skills, knowledge and expertise that can be recognised through a Recognition of Prior Learning (RPL) process. Students seeking recognition can apply for RPL on enrolment into a qualification or throughout the duration of their study.

Credit Transfer
If you have completed previous study that is the same as your intended qualification with another organisation you may be able to apply for a credit transfer or exemption. A copy of the original transcript must be provided when applying for a credit transfer

Study Pathways
This skill set provides credit towards a range of qualifications in the CHC Community Services Training Package at Certificate III or Certificate IV level.
